## Placement of Footer and/or Gravestone at Lake View Cemetery

The following information is required and the needed signatures added before any footers will be placed at Lake View Cemetery.

Monument Dealer & Phone Number: \_\_\_\_\_

Name(s) on Gravestone: \_\_\_\_\_

Lot Number and/or Lot Owner: \_\_\_\_\_

Purchaser Name & Phone Number: \_\_\_\_\_

Sketch of the Stone(s) or attach a copy *note direction stone is facing i.e. being read from west side of lot.*

Include all dimensions of stones and footers. Footers must have a 3" border on each side.

Sketch of the Lot with prior burials and stones noted: North on the left, east at top, south on the right and west at the bottom:

Name & phone number person doing footer: \_\_\_\_\_

Cemetery official Signature & date: \_\_\_\_\_

*Incomplete forms will not be accepted; no footers will be dug until completed form is received by cemetery official.*

***NOTE: Any stone taller than one foot (12") must have two to three feet of re-rod from footer to ground, 1 foot in footer, 2 feet in ground. Footers must be 3 feet deep. A trustee must assist in the layout after the form has been completed. The footer will be checked before filling begins.***
